NINJA ZONE: NEW VISION & MISSION

We are excited to announce a change in our Ninja Zone program. Our partner, Ninja Zone, has created a new, 10-Level system, in which we are currently in the process of implementing. What does that mean for your Ninja? More opportunities for moving up, faster progressions, Ninja Games, and a fully inclusive curriculum - Parkour, Gymnastics, Tricking, and Warrior. A letter will be sent home with your ninja containing more details.

Additionally, an evaluation date will be scheduled within the next few weeks to get all of our Ninja's in correct level. We look forward to these exciting changes! P.S. Lil' Ninjas, we've got some new, fun themes for you as well!
